

### Part 1: Idea Generation

*Jot down all your ideas here! Think of policies and strategies you have seen, heard of, or witnessed being used in other communities to protect their homes?*

What is the policy or strategy?		How did/can this help?

## Part 2: Evaluating Policies & Strategies

Choose a policy or strategy from Part 1 by exploring the **4** questions below to learn how it can help protect your community.

### Policy or Strategy (write-in):

**(1) THINK OF:** How would you adopt this policy or strategy in your community?  
Where have you witnessed this work being done?

**(2) IMAGINE:** What specific **actions, steps** are most needed to **advance** this policy or strategy?

	<p><b>(3) SEEK OUT:</b> Who <b>(audiences/allies)</b> can help advance this policy or strategy? What is their <b>role</b>?</p>	
	<p><b>(4) DISCOVER:</b> What <b>opportunities and barriers</b> exist? How viable is this change in your community?</p>	<p><u>Opportunities:</u></p>          <p><u>Barriers:</u></p>
